Personal Prayer

If we are born again by the Spirit of God, a godly seed was planted within us. Pray for the Lord to reveal any snares or distractions that are choking the fruitfulness of the Word in your life. This could include spending too much time in leisure activities such as social media and television, politics, believing religious doctrines that are contrary to the Word, having unrepentant sin, or even unbelief and doubt. Ask the Lord to uproot anything in your life that is detrimental to the seed of Christ coming to full maturity. Pray to cultivate and strengthen the spiritual disciplines that nurture the nature of Christ including prayer, fasting, studying the Word of God, and worship.
